PROFILE

Raj is the **Founder of India Blockchain Alliance**, the largest Indian emerging technology tech think tank, the **Chairman of the Global Alliance for Artificial Intelligence** and Innovation and an Advisory Board Member at over 80 blockchain companies including Tata Elxsi, Adlunam, Spherium, AI Planet and more. He is a global, Blockchain & Cryptocurrency & FinTech Educator, Certified Bitcoin Professional (CBP), Blockchain Solution Architect, and friend of disruptive ideas, protem Chairman for Organization of Blockchain Technology Users (OBTU). He is also the chief Board Advisor for Nappbooks Ltd for who he heads the world's largest project for implementing blockchain for E- Notary services, Govt. of India. He is also the CEO of Growth Alley Inc, USA. Raj has been recently onboarded to the Velocity Foundation, USA as Advosry Board member - to set up the Internet of Careers.

Raj is also a visionary in the realm of artificial intelligence, blending deep expertise with innovative thinking to pioneer groundbreaking solutions at the forefront of technology. Beyond his technical mastery,, Raj possess the ability to communicate complex concepts in simple terms, bridging the gap between technology and laypersons, actively engages in industry collaborations, shaping the future of AI-driven innovations. Raj is a champion of Ethics and Responsible AI.

Raj regularly speaks at Tech events in India, UK, USA, Africa, Malaysia and Canada and is also a four times TedX speaker. Besides blockchain, Raj is skilled in AI, Robotics, Cyber Security. IoT, and Cloud Computing. He has spoken in over 140 international and national events in the last 12 months.

Raj is also a regular contributor to several publications including Economic Times, Fortune, Moneycontrol, Mint, NDTV Profit, Daily Tribune, Business Standard, Decrypt and more. Raj also appears regularly on multiple television channels where he speaks on different aspects of the blockchain industry.

Raj was also selected this year as a top cryptocurrency and blockchain influencer in March by Asian Market Cap and featured on Corporate Connect Magazine (Cover Story) This was capped off by the Thought Leadership Award by Industry Insight Award in Las Vegas in December.

Raj has designed and worked on 4 Blockchains, 5 Centralised Exchanges, 3 Swaps and 3 DEX's. He is now working with his team on India's own indigenous Layer 0 blockchain. Raj is also working on the world's several sustainable and social impact blockchain projects which are aligned with the UN Sustainable Development Goals.

Raj has authored 20+ courses in blockchain, fintech, DeFi, NFT's, Metaverse and more. These are implemented by NASSCOM, NSDC, CII, UnAcademy and multiple other edtech platforms in India and overseas.

Raj is also heading the steering committee for the E - Notary project for the Government of Gujarat and has also represented India at the G20 committee on crypto compliance and frameworks. Recently Raj has been onboarded as a Mentor with Techstars - the largest pre-seed investor in the world.

Raj is also the Consulting Editor for 3.0 TV and Digilah, Singapore.

This year Raj won the award for the CSR Impact Leader of the year for his innovative technology soutsions for the CSR sector
